# TAYLOR MADE POLY

Our Taylor Made Poly Cabinets are Taylor Made for all your outdoor kitchen needs! Our cabinets are made locally here in Pennsylvania, USA. We provide cabinets that are a High Density Polyethylene (HDPE). HDPE are easy to maintain! Your cabinets will be durable and water resistant, so they can endure all aspects of weather.

We believe everything comes down to the details. Our cabinets are as efficient as they are beautiful. Full-depth cabinets allows you to use the space in its entirety. Adjustable shelving in cabinets allow you to organize as you wish. Each cabinet also has concealed hinges inside.

These cabinets are offered in a variety of styles and colors. Taylor Made Poly is a family owned company that specializes in crafting high-quality outdoor cabinets. We will design your space with 3d Renderings so you can see your kitchen come to life!
